WOMEN FEAR LEVY TO MEET DEFICIT

Finance Problem Causes Apprehension in National Association.

WRANGLE AVERTED.

Draft of New Constituton Regarded With Anxiety—May Prove Rock of Disaster.

Washington, Dec 2.—Differences over the proposed new constitution, which foreshadowed a bitter wrangle later in the day, were laid aside for a time at the convention of the National American Woman Suffrage Association this morning while the delegates listened to reports from committees which have had charge of the fight for the ballot during the last twelve months.

The most important of these was that of Miss Alice Paul, chairman of the Congressional committee, which has directed an unceasing attack on congress in the interest of votes for women and accomplished more for the cause in this direction than has been done in all the previous years during which women have been demanding political equality. Among the things referred to by Miss Paul was the equal suffrage amendment to the Federal Constitution, now pending in the Senate, the proposed committee on suffrage in the Hou which will be taken up by the House Rules Committee at a public h ing tomorrow; and the steps that have been taken toward inducing President Wilson to give the Federal amendment the approval of the Administration.

No less attention was attracte by the report of the constitutional revision committee, headed by Mrs. Carrie Chapman Catt, which is responsible for the new constitution of the association, which will come to a ballot today. The contest is one of matter of dues. There is a strong belief that some of the most powerful state organizations affliated with the national association may withdraw the new constitution is adopted.

As the draft of the new constituton now reads each affiliated organization will have to pay into the national association's treasury an amount equivalent to at least 5 per cent of the smaller body's total expenditures. In addition to this, if there is any deficit in the national body's treasury it will be apportioned among the affiliated societies and they will have to levy a special assessment to meet it.

Dr. Anna Howard Shaw, national president, anticipated any charge of "steam-roller" methods in regard to the constitutional discussion yesterday afternoon when she announced from the platform that no delegate would be denied the right to speak from the floor of any subject under consideration, that every woman might vote exactly as she saw fit, and that "absolute democratic freedom" would prevail during the entire convention.

BICYCLE AND WAGON COLLIDE.

Boy's Wheel Smashed, But Rider Escapes Injury.

A wagon belonging to Parker Bros. in charge of a colored man, and a bicycle, upon which was seated a boy named Willie Meeks, came together at the intersection of Prince and Fairfax streets a few mniutes before noon today. The boy was thrown from the bicycle, but he was not injured. The wheel, however, was badly damaged.

Officer Miller appeared on the scene and accompanied the boy to the station house, where the accident was reported. According to the officer's statement the wagon was on the wrong side of the street when the collision occurred.

NEW BUNGALOW ON POTOMAC.

Work has been commenced by Contractor Julian D. Knight on a handsome new bungalow for Benedict Wheatley, of this city. The location is at Wellington Villa on a high bluff overlooking the Potomac. It is one of the handsomest sites in the state.

NEWS OF THE DAY.

Charles A. Stockett, the aged Washington hardware dealer who was assaulted with an axe Wednesday morning in his store at 2010 Eighteenth street nothwest by a negro thief, and who astonished the surgeons by his remarkable vitality, died at 9:35 o'clock last night in Emergency Hospital. His assailant is still at large.

Mrs. Carlotta Thumpson Brown, convicted of having embezzled $21,000 from a customer while in the brokerage business with her husband, in Cincinnati, was yesterday sentenced to not less than one year nor more than ten in the State penitentiary. Before passing sentence Judge Cushing overruled a motion for a new trial.

Preachers ordained hereafter by the Western North Carolina conference of the Methodist Episcopal Church South, will not be allowed the solace of tobacco, the conference at yesterday's session at Charlotte taking this action after a hard fight. The members of the conference now addicted to the weed will be allowed to continue its use—without encouragement.

Mrs. Joseph Tumulty, wife of the secretary to President Wilson, was operated on for appendicitis yesterday in Providence Hospital, Washington. The operation was pronounced successful. Mrs. Tumulty is expected to be able to leave the hospital within a few days.

A garment worker on his way to work yesterday was shot, probably fatally, by an unidentified man who fired from the window of a taxicab in Philadelphia. The wounded man is Harry Skulnikk. With four other garment workers who had been on strike, but had returned to work, Skulnik was being escorted by a city detective when a taxicab dashed up and one of the occupants began firing. Two suspects, who gave New York addresses believed to be fictitious, were arrested. The garment workers' strike has been in progress in Philadelphia since last summer.

Ed Grishaw, 40, a farmer, and Mrs. Wilbur Youngman, 20, of Champaign, Ill., were killed, and Wilbur Youngman, 23, husband of the dead woman, was fatally hurt Sunday afternoon when the carriage in which they were riding was struck by a Lake Erie and Western passenger train at a crossing near Fairfield, Ind. Curtains on the carriage prevented Grishaw, who was driving from seeing the approaching train. Mr. and Mrs. Youngmon were on their honeymoon. Grishaw had met the couple at Fairfield, and was taking them to his home for a visit when the accident occurred.

Before the eyes of his two nieces, and firing over the head of his aged mother, Edward C. Manchester, shot and killed his brother, Frank W. Manchester, with a double barrel shot gun, in North Dartmouth, Mass., yesterday. Immediately after the shooting he filled his pockets with all the ammunition in the house and with his gun escaped to the dense woods in the vicinity of the farm. He has not been arrested.

EXCITEMENT IN AUTO CONVENTION

Association Resents Attack Made in Richmond by Dr. Heyl.

OHIOAN CRITICISED.

First Day's Session of Annual Gathering—Cousin of President Wilson Chosen President.

Richmond, Va, Dec. 2—Branding as an "infamous lie" charges recently published by Dr. A. B. Heyl, of Cleveland, that the national organization is controlled by manufacturers and supply dealers, President Hooper swept the sixty-two delegates attending the annual convention of the American Automobile Association off their feet at the Jefferson auditorium yesterday afternoon, and precipitated a row that threatened to become dangerous

The excitement started an hour after the convention had brought forward from its place on the program for Wednesday the election of officers. Dr. Heyl, among others, was named as a member of the board of directors. Nettled because the same charges brought by Dr. Heyl had been printed in some of the leading papers of the country, Delegate Hawkins of Pennsylvania, jumped to his feet with the statement that the matter had gone far enough. Thereupon he preferred charges of treason against Dr. Heyl.

The storm raged for half an hour or more. It broke when Hooper hurled the lie at Heyl. In the midst of the tirade Heyl walked into the hall, demanding what it meant.

"You'll see in a moment," Hooper shouted, at which Heyl sat down.

John A. Wilson, the newly elected president, was in the chair. Hawkins had already screamed about the treason of Heyl. He had put his charges in writing and handed them to the president who slipped the paper in his pocket.

"They are going to be tried," the president said. "I am very, very tired of it all. These charges are either true or they are lies, and the burden of the proof is on the man who preferred them."

When order was restored President Wilson announced that he would take up today the question of appointing a treason-trial committee. Some of the sixty-two delegates thought the matter should drop

The officers nominated were elected unanimously, no other candidates appearing. They are as follows:

President, John A. Wilson, of Pennsylvania; first vice-president, Dr. H. M. Rowe, of Baltimore; second vice-president, Ralph W. Smith, of Colorado,; third vice-president, F. L. Baker, of Colorado; fourth vice-president, H. J. Clarke, of Minnesota; fifth vice-president, Preston Belvin, of Virginia; chairman of the executive committee, A. G. Batchelder; treasurer, H. A. Bonnell; secretary, J. M. Brooks. The rules were suspended, and the secretary was instructed to cast the ballot of the convention for the nominees.

TUG BOATS SCORED.

Boat Club Discusses Alleged Infraction of Rules by Vessels.

A meeting of the officers of the Corinthian Yacht Club of Washington, was held last night to discuss the alleged disregard of river traffic rules by navy yard tugs on the Potomac river. At the conclusion of the meeting it was decded to recommend that the club appoint a committee to consult with other clubs on this matter. The meeting of the club will be held Monday night.

The action of the club arises out of the recent sinking of a small boat belonging to L. B. Walcott, which, it is claimed, was due to negligence on the part of the crew of the navy tug. According to members of yacht clubs, the navy tugs disregard traffic signals, refusing to answer them, and try to crowd the small craft.

FLOOD TO BE ORATOR.

Will Deliver Address at Elk's Memorial Sunday Night.

Hal D. Flood, of the Tenth Congressional District, of Virginia, chairman of the Committee on Foreign Affairs, and one of the most brilliant members of Congress, will be the speaker at the memorial session of Alexandria Lodge of Elks which will be held next Sunday night in the Opera House. Mr. Flood accepted the invitation to make the address today. He is a member of the order and his speech will therefore be all the more interesting to the Elks of this city.

The program is now completed and it is said will exceed anything that the Elks have ever had in Alexandria.

PLEASANT PYTHIAN EVENT.

Secretary of State Bryan Delivers Interesting Address.

Secretary of State Bryan last night delivered a striking address before the Knights of Pythias at the Pythian Temple, in Washington. Mr. Bryan, who is a member of the fraternity and a past chancellor of the order, was the honor guest at the grand visitation of the grand lodge officers of the domain of the District of Columbia to Century Lodge, No. 30.

Having been introduced by Grand Chancellor Mark Stearman, Secretary. Bryan dwelt at length on the principles of the order. Though a few people maintain that fraternities are narrowing agencies. Mr. Bryan declared that, in his opinion, such organizations exert an influence which tends to broaden their members and make them more useful individuals for the communities in which they live. At the conclusion of his address, Mr. Bryan was presented with a large bouquet of flowers by the members of Century Lodge.

Besides the members of Century Lodge there were delegations present from each of the other seventeen subordinate lodges of the local jurisdiction. Members of Oriental Lodge of Alexandria were among those present.

ST. MARY'S ACADEMY.

November Reports of Institution Announced.

The November reports of the students were yesterday announced in the assembly hall in presence of all the teachers and the bulletins were presented by Rev. Father Cutler who took occasion to offer congratulations on the successful work being done along intellectual lines as evinced by the high averages attained by most of the pupils. Those whose work in their respective classes entitled them to the highest per cent were as follows: Sue Florance 99 1-2; Katherine Petty, 99 1-2; Agnes Plaskett, 99; Eunice Graham, 94; Gertrude McDermott, 98; Margaret Wibert, 96; Cowen Ramage, 95; Virginia Richardson, 96.

A piano selection by Winifred Bayne and violin solo by Ruth Morgan, well merited the applause accorded them by the students and the words of commendation offered them by Father Cutler who spoke briefly on the influence of music in the development of the higher nature. At the conclusion of the musical selections, a Palmer final certificate, awarded by the A. N. Palmer Company, of Cedar Rapids, Iowa, was presented to Marian Kaus for having successfully completed their course in business penmanship. Miss Kaus deserves special praise for having so early in the school merited the reward of earnest labor; though the first this year to secure the enviable honor, she will, no doubt, soon be followed by others equally successful in their efforts to attain the very desirable accomplishment—good, legible penmanship such as the Palmer method of free arm movement produces. Prizes for the most perfect exercises in penmanship were yesterday presenthed to Thelma Longfellow, Eunice Graham, Doris Kennon, Dorothy Randolph, and Gladys Gaines; and judging by the excellence of their work, they, too, will soon deserve the much coveted prize—a Palmer certificate.

CATHEDRAL IS USED AS A FORT

Villa Wins Two-Day' Battle—Chihuahua Evacuated.

HUERTA STARVED OUT.

Constitutionalist Leader Waits for Reinforcements — Provisions Are Seized.

Juarez, Mexico, Dec. 2.—Reports reached rebel leaders here today that Chihuahua City, capital of the State of that name, has been evacuated by the federal troops.

It is said that the Huerta army was starved out.

Some of the constitutionalists expressed belief that word of the threatened attark by General Villa's forces had been received and the federals forestalled a defeat and possible wholesale execution by fleeing the city before the arrival of the rebels.

The rebel officers here say the situation of the federal army which abandoned Chihuahua City is desperate, and in order to get into touch with any of the rest of Huerta's forces will have to cut its way through a constitutionalist amy it will encounter, regardless of the direction it takes.

The last reports from Chihuahua City preceding those announcing the evacuation, were that the cathedral had been converted into a fort, breastworks of sand bags having been built on the roof, which overlooks the surrounding country.

As had been anticipated, the minstrel performance at the Opera House last night given by local talent for the benefit of the Alexandria Motorboat Club, was one of the most enjoyable ever witnessed in this city. All who participated were at their best and every feature of the programme was carried out in a creditable manner.

The hall was packed, and from start to finish the performers kept the audience in good humor.

The organization is composed of sixty members, among whom are first class vocalists, and the singing during the entertainment was especially enjoyed.

The performance will be repeated tonight for the benefit of Alexandria Lodge of Elks

WANTS REFORM IN COURT PROCEDURE

Speaker Byrd Explains Objects of Bar Associations.

NEW LAW SUGGESTED.

Thomas W. Shelton Preparing Bill for Consideration of The Next General Assembly.

Richmond, Va., Dec. 2.—Richard Evelyn Byrd, speaker of the House of Delegates, explained in an interview yesterday the work to be undertaken before the next General Assembly by Thomas W. Shelton and others, for needed reform in judicial procedure. As Mr. Byrd shows, the present system is not defended by anybody, while, with the suggested changes urged by the American Bar Association and the Virginia Bar Association pocedure will be very greatly simplified to the benefit of the lawyers and litigants.

"An able Virginia lawyer, Mr. Thomas W. Shelton, of Norfolk, has been selected by the American Bar Association and by the Virginia Bar Association to head a movement for the reform in the country at large, and in Virginia, of judicial procedure," said Mr. Byrd. 'This reform is imperative if the courts are to perform with simplicity and reasonable diligence and economy the functions for which they are created.

"It is a just complaint that court procedure is slow, complicated, cumbersome and expensive. Too many just causes are lost or delayed for errors not essential, but merely procedural, and law suits drag a slow length along, to the disgust of litigants and often the practical denial of justice.

"The legislature has from time to time, made changes in the direction of greater simplicity, but there remains much to be done, and if the experience of the past means anything, the reform accomplished by the Legislature is both slow and ineffective.

"Procedure not being of the essence of rights, but merely the method by which asserted rights come to an investigation and adjudication, there should always be a certain amount of flexibility, so that defects may be remedied as they are disclosed in the actual administration of the rules.

"Mr. Shelton very wisely proposes that the next General Assembly amend section 3112 of the Code of Virginia so as to read as follows:

"The Court of Appeals shall from time to time prescribe the forms of writs and make general regulations for practice of all courts, civil and criminal, and shall prepare a system of pleading and the forms of process to be used in all the courts of the State, civil and criminal, and when the same are prepared and put into effect, the court shall make report thereof to the General Assembly, in order that they may be published in the Acts of the current session, unless otherwise published by order of the court.'

"Of course, there would be the usual provisions repealing all inconsistent acts.

BOARD INSURANCE CASE

Will Be Argued Before Court of Appeals in Richmond Tomorrow

An insurance case, involving $15,000, which presents a number of interesting features, especially to Alexandrians, will be argued in the Supreme Court of Appeals in Richmond tomorrow, when the suit of the Board Armstrong and Company and the Board Motor Truck Company, both of this city, against the Mutual Life Insurance Company of New York, will be heard. John M. Johnson, of this city, will represent the defendants while the plaintiffs will be represented by Samuel G. Brent, Judge C. E. Nicol and Gardner L. Boothe, of Alexandria and Charles E. Plummer, of Petersburg. The four Alexandria lawyers leave here tonight for Richmond.

The suit is the result of the death of B. F. Board, of this city, who was the president of the two companies. A few months before his death a policy was taken out on his life by the Board Armstrong Company, for $15,000 and by the Truck Company for $10,000. His death was the result of a fall from a 100 foot water tower at Wake Forrest, N. C., where he had gone to recover from a nervous breakdown. The insurance Company refused payment on the ground that he had committed suicide and also because the two companies had no insurance interest in the life of Mr. Board, despite the fact that they had paid the premiums on his policy.

On the first trial in this city a verdict was rendered in favor of the two plaintiffs and the insurance company then took an appeal.

STOP RACING IN VIRGINIA.

Incoming Legislature Expected to Put a Stop to Betting.

Norfolk, Va., Dec. 2.—With the running of the last race at the Jamestown Jockey Club track the curtain probably was rung down on horse racing in Virginia for some time to come. The meeting just closed was the largest ever held here. It was a better meeting than that held at Laurel in October and Manager Bob Levy, of the Jamestown track, said it was much better than he expected. The attendance was never less than 2,500 and the average was 4,000.

The incoming Legislature is expected to enact legislation that will prevent betting in any form on horse races in Virginia, and Governor-elect Henry Stuart is said to be in favor of prohibiting running races altogether.

His Engine Kills Mother.

Norfolk, Va., Dec. 2.—Mrs. Mary A. Griffin, of Ivor, Va., was run over and killed by a log train, in which her son was the engineer. A little son of the engineer had one of his legs cut off at the same time.

No particulars of the accident have been received here, but it is said that the train passed over Mrs. Griffin's body killing her in full view of her son, who was powerless to prevent the accident.

Mrs. Griffin was the mother of J. W. Griffin, of Berkley, who returned today from Ivor, where he attended the funeral.

WOMAN ATTEMPTS SUICIDE.

Leaves Note Asking That Children be Be Cared For

Norfolk, Va., Dec.2.—Deceived by the man she loved, and holding his picture in her hand, Mrs. Fannie Berry, 25 years old and divorced, of 229 East Main street, tried to commit suicide Sunday morning at 9 oclock by drinking a pint of wood alcohol. Her attempt was discovered before the poison had taken effect and at night she was reported out of danger at St. Vincent's Hospital where she was rushed in the ambulance a few minutes after she drank the alcohol.

That a love affair was the cause of her deed a note, found on the table, seems to indicate. The note read:

"Harry has deceived me. I can stand it no longer. Somebody be good to my little children and not let them fall into the hands of their father's people."

According to the story told detective Purnell by J. M. Cousins, who runs the boarding house at 929 East Main street, the woman was infatuated with one Harry C. Cole, who was arrested Saturday night for being drunk and disorderly but was later bailed out.

Posse Searches for Negro.

Crewe, Va., Dec. 2.—One of the most horrible murders ever perpetrated in Nottoway county, took place near Crewe Thursday night, when Jimmie Love shot and killed Willis Jennings and badly wounded Margaret Jennings. Willis Jennings was shot several times, one of the shots severing the jugular vein from which he bled to death. Margaret Jennings is an invalid.

It seems that Annie Love, the wife of Jimmie Love, takes in washing and that Jimmie Love came in that night and told her to leave her father's house and go with him to Oliver Love's Willis Jennings advised her to finish the washing, this enraged Jimmie Love and he drew a pistol and fired several shots at Willis, two or three of them taking deadly effect. After murdering Willis and wounding Margaret Jennings, Jimmie Love marched Annie Love in front of him at the point of a pistol with her infant baby to Oliver Love's place, a distance of several miles, and it is thought changed his clothes there and made his escape.

Alleged Violation of Law.

WILL CONTINUE FINLEY'S POLICY.

The statement of Mr. Fairfax Harrison, the newly elected president of the Southern Railway (printed elsewhere in the Gazette), will be read with interest by people throughout the South. Mr. Harrison manifests his wisdom when he states that it is his purpose to carry out the policies of his predecessor, the late W. W. Finley. The latter, as is well known, had since he became head of the Southern system worked assidiously in the interest of the southern country through which the main stem and its many branches extend. Mr. Harrison wants it to be understood that while enhancing the interests of the Southern Railway the cordial relations between the system and the people of the Southern country will be strengthened by every means in his power.

Mr. Harrison's extensive railroad experience makes him realize that his success at the head of such a corporation depends in a large measure upon concerted action on the part of the present working organization who have studied the details of their respective departments during their years in the service. Unlike others who might be inducted into office they do not need an apprenticeship, and the new president says he counts upon the support of both rank and file. "Having grown up with them," he says, "I know now how to value them, and I am proud to believe that they are my friends."

Railroading depends upon every man doing his duty, and should all from department heads to the lowly trackwalker, realize this truth and act conscientiously and faithfully in the discharge of the duties incumbent upon them, Mr. Harrison will have just cause to be proud of his coadjutors.

LATE PRESIDENT FINLEY.

Resolutions of Respect to His Memory—Harrison Will Continue Policy of Predecessor.

Resolutions deploring the death of Mr. Finley, and paying a high tribute to his work for the railways, he headed and the territory they served, was adopted by the board of directors of the Southern Railway, the Mobile & Ohio Railway, the Alabama Railway, the Virginia and Southwestern Railway.

Immediately followng his electon President Harrison gave out the following statement: "I am in entire accord and sympathy with the policies of my lamented friend, Mr. Finley, under whom I have worked for seventeen years. I hope to continue to build the Southern as he built, by promoting and maintaining its usefulness to and its cordial relations with the people of the South. I count on the entire support of the present organization of the Southern rank and file. Having grown up in the service with most of them, I know how to value them and I am proud to believe that they are my friends."

NEWS OF THE DAY.

Capt. Ernest E. West, of the United States Marine Corps, was arrested yesterday at Atlanta, Ga., charged with an attack on Mrs. John H. Joncs, his mother-in-law. Later Jones deputy clerk of the superior court, formally charged West with assault with intent to murder. It is alleged that Capt. West drew a knife on Mrs. Jones, knocked her to the floor, and kicked her. Mrs. Mary West, wife of Capt. West, separated from him about a year ago and sued for divore. After a habeas corpus hearing she obtained the custody of their 8-year-old son. According to Jones, Capt. West drove up to the house in an automobile, and announced that he was going to get his child. Mrs. Joncs, who met him at the door, refused to allow West to enter the house, an dthe alleged attack followed.

After searching squads had been out all night the body of Clarence McCormick, the 14-year-old son of Andrew McCormick, was found at Lafayette, Ind., in a patch of bushes 2 miles west of Purdue University. A shepherd dog was standing guard over his dead master and it was some time before the searchers were permitted by the dog to touch the body. A bullet from a revolver had pierced the boy's heart. Edwin Lucas, 15 years of age, accompanied the McCormick boy on the shooting trip and now cannot be found.

A dispatch from Prince Albert Saskatchewan says Cathleen Oka Simmon, aged 13 years, was convicted yesterday of murdering her 9-year-old playmate, Julia Jenex, on June 21 last. The little girl, with tears stramming down her cheeks, told the court of her crime. She said that she and her companion left home to gather herbs. While in a field she said the Jenex girl picked up a dead prairie chicken and struck her across the face with it. This made Cathleen angry, and she thew her playmate to the ground. The quarrel continued, according to the testimony, until the Simmon girl hit Julia with a shovel, knocking her down, after which she beat her face into a pulp. The girl has not yet been sentenced.

The Japanese battleship Kirishima was launched yesterday at the Mitsubishi yards in Nagasaki in the presence of many naval officers. Her displacement is 27,500 tons. Her turbines aggregate 70,000 horse power. She carries 24 guns and eight torpedo tubes. Her speed is 23 knots. The Japanese cabinet has decided to postpone increasing the war strength of the empire because of national poverty. The War minister consented to relinquishing his plans for adding new divisions to the army, and the minister of marine was prevailed upon to abandon his naval program.

Rear Admiral John Howe Clark, former medical director of the navy, died yesterday at Amherst, N. H., from paralysis. He was 76 years old.

HAIR DOESN'T DIE—
IT HAS TO BE KILLED.

Hair often continues to live and grow long after the death of the body. But it is often killed through neglect or misuse. Almost always the woman or man whose hair is falling out, or is stringy, lifeless and dull-looking, is entirely to blame because of not giving it the proper care. It is easy to take care of the hair—easy to make it more beautiful. Use Harmony Hair Beautifier, to make it glossy, soft and silky, and Harmony Shampoo to keep hair and scalp thoroughly clean.

Harmony Hair Beautifier, delightfully perfumed with true rose, is very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo is most convenient to use, giving an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Contains nothing that can harm the hair, and leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in oddshaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, $1.00. Harmony Shampoo, 75c. Both guaranteed to satisfy you in every way or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony Laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made. Don't Be Misled if You Have Lung Trouble

If you have Lung Trouble, do not be misled by reports of discoveries of specifics to relieve that affection. No specific has as yet been found. Eckman's Alterative, however, is a medicine for throat and lung troubles which has been successfully used in many cases. If you are sick, it might be wise for you to investigate its merits and its use may be of lasting benefit to you. Read of this case:—

336 Seventh Ave., New York.

"Gentlemen: Five years ago last August I was taken to St. Francis Hospital to be treated for Bronchitis and congested lungs. After several weeks' treatment I was advised by the doctor to go to a convalescent sanitarium, but could not be admitted because the doctor at the hospital, after a thorough examination, declared my case Lung Trouble, and gave me a certificate to that effect. I showed the certificate to Father Stark, and he advised me to take Eckman's Alterative. I took the Alterative faithfully as directed, and soon found myself free from night sweats and fever, and gradually got better. I have not taken the Alterative now for two years and can truthfully say I am well. Life is sweet and am stronger than before my illness."

(Affidavit) MARY KORHAMER

(Above abbreviated; more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in unbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists

KILLED BY HIS BROTHER.

Two-Year-Old Shot by Boy of Five Playing With Rifle.

Asheville, N. C., Dec. 2.—Little George Chackles, the 2-year-old son of Mr. and Mrs. Peter Chackels, was shot and almost instantly killed by his 5-year-old brother Eddie, the weapon used being a .22-calibre rifle.

The older boy had just secured the gun a few days ago and was playing with it on the back porch of the Chackels home, when in some manner it was discharged, the bullet striking the smaller boy in the back. He was rushed to a local hospital, but died before reaching there.

The mother created quite a scene and is prostrated over the death of her baby.

Die in Boiling Tar.

New York, Dec. 2.—Mrs. Mary Moody is dying, having sacrificed her life in Bayonne trying to save her adopted baby from being boiled alive in tar.

The baby, Ethel Connors, sixteen months old, perished in the molten fluid that poured from the cauldron when Mrs. Moody attempted to lift it from the stove. The woman gathered the little one up unmindful of the fact that the tar poured upon her head as she did so.

Fit His Case Exactly.

"When father was sick about 8 years ago he read an advertisement of Chamberlani's Tablets in the paper that fit his case exactly, writes Miss Margaret Campbell, of Fort Smith Ark. "He purchased a box of them and has not been sick since. My sister had stomach trouble and was also benefitted by them." For sale by all dealers.

JONES OUT FOR COL. BARNETT.

Virginian Favors Him for Marine Corps Commandant.

Washington, Dec. 2.—Congressman William A. Jones, of Virginia, chairman of the House Committee on Insular Affairs, which handles the Philippine problems, has advised Secretary of the Navy Daniels that he favors the elevation of Col. George Barnett, in charge of the Marine Barracks at Philadelphia, to the place of commandant of the United States Marine Corps as the successor of Gen. William P. Biddle.

Mr. Jones' indorsement of Colonel Barnett is the first break in the Virginia Congressional delegation ranks from Colonel Waller, a native of that State, who is making a hard fight for the appointment. It is understood that Mr. Jones' opposition to Colonel Waller is due to the Samoa campaign incident.

Colonel Barnett married Mrs. Basil Gordon, of Baltimore. Mrs. Barnett's first husband, Basil Gordon, was a prominent political leader of Virginia at the time Mr. Jones began his political career. He was chairman of the Virginia State Democratic Committee. The Gordons are originally from Fredericksburg, which is in Mr. Jones' district.

CHARGES AGAINST FOUNDER.

Head of George Junior Republic Will be Arraigned.

New York, Dec. 2.—An investigation instituted at his own request, has been made of the conduct of Wm. R. George, founder of the George Junior Republic of Freeville, N. Y., while he was active head of that institution. The testimony of at least fifty persons—"citizens" and former "citizens" of the republic and persons identified with the work there—has been taken, and three judges—Joseph H. Choate, Justice Samuel Seabury, and Lillian D. Weld—will hand down a decision about January 1.

The investigation, growing out of the charges of Elsie Whitmore, Leah Klemm, and Iva Temple, all former "citizens", have been conducted by the National Association of George Junior Republics, of which George is director. Henry A. Wise, former United States District Attorney, was retained to represent the directors and Emory R. Buckner to represent George.

The Whitmore girl, who became a "citizen" of the republic at Freeville in 1904, and remained there three years, has made three affidavits. In the first she said that George was the father of her baby which was born in Rochester after she had been sent from Freeville. In the second she repudiated her first statements declaring that they had been influenced by William Zabesky, who had been taken from Freeville to the Elmira reformatory for burglary. In the third she repudiated the second and reverted to the first charges.

Both Messrs. Wise and Buckner declare that there is little if any chance of these charges being considered condemnatory by the judges.

George, his finances broken because of his philanthropies and his health shattered by the charges, is in his Freeville home. He has not, for some time, been active in the administration of the affairs of the Freeville republic.

Midnight Marriage Near Atlanta—A Romance.

Atlanta, Ga., Dec. 2.—"Oh, it was such fun to fool our friends! And so romantic!"

And that is the only reason, says Mrs. W. E. Allaun, daughter of a N. Y., millionaire banker and prominent society girl of New York, and Newport News, Va., that she eloped from Norfolk with Mr. Allaun—who is known to his intimates as "Top"—in a six-cylinder automobile, and, after several hundred miles' ride, all cluttered up with incident, landed at the Piedmont Hotel in Atlanta, where they are spending their honeymoon and receiving the blessings of the folks at home.

A REAL NERVE AND BODY BUILDING MEDICINE.

When you're sick or run-down, keep away from so-called "tonics." The alcohol and dangerous drugs many of them contain stimulate you for a few minutes after the dose is taken—then leave you worse off than ever. You cannot get well by taking stimulants. You are liable to get worse.

Rexall Olive Oil Emulsion is not a stimulant. It is a real nerve and body and blood-building medicine. It puts the system into shape to overcome present and resist future sickness. It does not contain a drop of alcohol nor anything else harmful. But it builds you up, makes you feel better, stronger, livelier—not the first hour—but after a few days, when the strengthening, toning and tissue-building ingredients have had a chance to work through your blood into those muscles and organs that need their vitality-giving help. The four Hypophosphites it contains strengthens the nerves while purest olive oil nourishes them.

Rexall Olive Oil Emulsion is an ideal common sense invigorator and upbuilder. There is a direct benefit to you in every one of its ingredients. You who are weak and run down, and you who are apparently well now, but are liable to suffer from cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For that tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. Pleasant tasting—unlike the cod liver oil preparations—you'll be as enthusiastic about it as we are when you have noted its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores in the United States, Great Britain and Canada. Wm. P Taylor, 616 King Street, Alexandria, Va.
